Snicker is a stout, choppy gelding that has been extensively used in all aspects of ranch work, from tagging calves to doctoring yearlings. Also used in the pens sorting and loading trucks. I have used him at my schools and practices as a help horse, headed tons of steers, and is ready to go. He is very gentle and kind, the type of horse that learns quick and willing to please you anyway he can. Don't miss this classy gelding.

LOT 16X | CONSIGNOR | JOHN ALLEN | MISSOURI
BLACK ROAN GELDING | GRADE | 2011

Finished head/heel horse. This quiet laid back horse has been my main mount for several years. Have used him in the Missouri High School Rodeo for the past 4 yrs. Has also been used at the US ropings in the low and high numbered ropings, amateur rodeos, and youth rodeos. Very quiet in the box and no maintenance issues. Have given many roping lessons for beginners. You won't find a horse this quiet and well maintained at a more perfect age.

"Aussie" is a 15 hand bread horse. She has been used at a couple Kansas High School rodeos winning one. Money winner at several indoor and outdoor jackpots. Nearly timid, easy to get along with....doesn't act like a mare, been penned with geldings. Been used primarily as a head horse but could easily be running barrels in no time! No buck. See her in the rope horse preview.
