"Cooper" is an 8 yr old AQHA registered chestnut standout gelding. He is for sale due to no fault of his own. He would make a superb working ranch, ranch performance, ranch rodeo, daily using horse, etc. He is up to date on all veterinary care including: coggins, deworming vacc, and hoof trimming. He is a consistent, smart, steady, safe, hardworking, easy going gelding. Copper is a gentle-minded horse with a lot of cow sense. We took him to a spring open show and he excelled in ranch trail, ranch pleasure, and ranch confirmation. He thrives off grass hay alone and doesn't need any fancy care. Both his papers and his actions show that he is fancy enough to be a show horse on the weekend, but stout and smart enough to be a ranch work horse during the week. He goes back to Paddy's Irish Whiskey, Hollywood Dunny, Peppy San Badger, etc. We really can't brag about him enough! Has been used as a ranch gelding doctoring calves, day work, spring calf vaccinations, sorting and been hauled to ranch rodeos. Copper will make someone a great horse.
